Guild Member Feedback Form

(Rev. 11-8-25)

To help us improve future shows, we'd love your feedback as a guild member on what you think went well, what you think could have been better, and any other feedback you may have. Feel free to add additional comments on the back of this form if needed.

- Whether it's about logistics, communication, booth setup, overall experience, or anything else, we want to hear your insights
- Our goal for future Shows is to maximize the things that go well and minimize those that don't, and continue to improve
